Modeled after the program at Loma Linda University Church, Sunnyside Church will work in conjunction with the Adventist Medical Center to place brochure racks in all hospital lobbies and waiting rooms. These racks will offer It Is Written Bible Studies with reply cards along with other booklets like Steps to Christ to all visitors. Church members are needed to help stock the racks, locate other opportunities for racks and respond to the cards requesting Bible studies. Join John Bradshaw for an inspirational message, learn how the program works from Gary Carpenter and Curt Dolinsky from Loma Linda University Church. This is a great way to reach out to the community and find people interested in Bible Studies.
