

CLEAN

What did CLEAN accomplish in 2023?

At CLEAN there were a lot of plans but we were not sure what 2023 was going to bring us. We had developed strong relationships but had no idea what God was going to do with them. He really showed up BIG! In 2023 we served drinks to over 5,000 people; there were over 100 men and women in CLEAN recovery groups, and of those 100 CLEAN purchased all materials for 25 people in those groups as well as CLEAN leaders were leading almost all of the groups! CLEAN received \$15,000 in donations and also raised \$1,500 in revenue from pop-ups which were held at Nike World HQ, Carioca Bowls, and PACS! Part of CLEAN is building a group of microchurches around Portland and the world. CLEAN had an average attendance of 25 people for CLEAN home groups. On top of all of that, we were able to travel to Europe and meet with teams in Oslo, Norway and Ljubjana, Slovenia to discuss sober bar ministry to those around the world. 2023 was successful and we look forward to more success in 2024!

CLEAN 2023 by the numbers:

Over 100 people in CLEAN Recovery Groups

Purchased materials for 25 group members

Served over 5,000 people.

Received \$15,000 in donations, and \$1,500 in revenue from pop-ups.

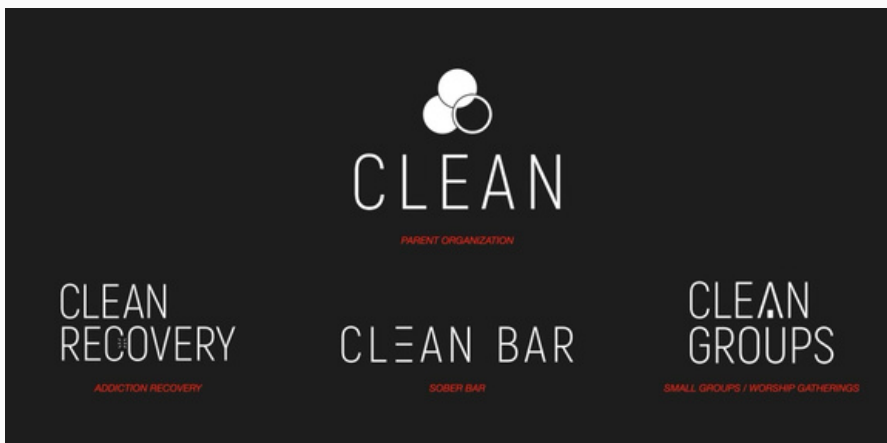

Average attendance of 25 for CLEAN HOME GROUPS.

Pop-ups held at Nike World HQ, Carioca Bowls, and PACS.

Advising Oslo, Norway and Ljubjana, Slovenia on starting sober bars.

CLEAN Rebranding

In the photo below shows our rebranding that took place at the end of 2023. Big thank you to Randy Ban for helping CLEAN take more steps in the right direction! This allows us to compartmentalize the three main areas of CLEAN: our recovery groups, the sober bar, and our microchurches. Each area of CLEAN can be seen represented by a manipulation of a letter in the logo of the three groups. With our rebrand and removal of the "3" in our logo, we have changed our website www.thecleanlife.org, and we will be publishing an app that we plan on going live Spring 2024. With our rebrand we can now have areas of focus that allows us to be more on mission and help more people in need!

What to expect from CLEAN in 2024

We have a God shaped vision for 2024! Our big goals are to have over 200 people in recovery groups, to have 2 locations in Portland, OR, with a monthly worship gathering in Portland beginning in 2024. In September 2024, we will be holding an Addiction Awareness Summit with popular guest speakers which will help bring awareness to the problem of addiction and help CLEAN launch more groups to support the overall mission. The summit will also include leadership training and ways to connect throughout the year, as well as educate churches on this issue. This will only happen through thoughtful prayer, generous donations, and a commitment to God and His will. Will you please join our prayer team, consider giving, and sign up for our monthly newsletter? If any of these areas interest you, please head to our website to find information or you can always contact me, Billy Hungate at billy@thecleanlife.org.

We are looking forward to the new year and hoping you will help us fuel the CLEAN movement.

We cultivate spaces
of community and
belonging for anyone
seeking positive
growth and change
in their life.

Our Big 3 of 2024:

1. 200 people in recovery groups.
2. Locations in 2 spots in Portland, OR
3. Monthly worship gatherings in Portland.

CLEAN Fundraising Goals:

Our goal is to fundraise \$250,000 in 2024.

Part of that goal is to have 400 people give at least \$10 per month. This will help CLEAN have a permanent space in Portland in 2024!

Head over to our brand new website: www.thecleanlife.org where you can see all options to give, stay in the know, volunteer or join a number of our communities!
