**SUNNYSIDE**  
SEVENTH-DAY ADVENTIST CHURCH**September 26 Communiqué*****Hi Sunnyside Family,***

Last Friday, Elynn and I summited Mount Saint Helens – the most active volcano in the Cascade mountain range at 8,363 feet above sea level. It's hard to overstate the

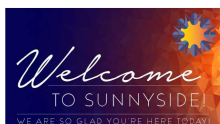

feelings of accomplishing the hardest physically demanding activity we've done as a couple till date! It was even better to experience this with a few young adults in our faith community.

Directly prior to our ascent, I spent a day with the GROW leadership team – a non-denominational student ministry organization – for strategy and developing student ministry curriculum used by thousands of churches nationwide. They were kind enough to donate to us the curriculum that we currently use for our high school ministry. It was a privilege to be part of this and to learn how student ministry is conducted from outside our denomination.

We have been planning and preparing for the new Walla Walla nursing students who are arriving on the Portland campus this weekend. On Friday, we had a booth at the ice cream social to welcome families during move-in. On Sabbath, Elynn and I are hosting the ASWWU student body officers and Resident Life staff for a lunch, and on Sunday partnering with them for their first student event.

Please keep Seth and me in prayer as we head out to Poland on September 29 to conduct digital media and evangelism training for the students in the Trans-European Division.

Looking forward to worshipping with you this Sabbath!

***Pastor Kevin Wilson*****ANNOUNCEMENTS**
